

National Aeronautics and Space Administration
 Ames Research Center
 Moffett Field, California 94035-1000

rev. July 2011

Kepler Science Conference
 December 5-9, 2011
 NASA Ames Research Center

Attendees may enter either the Main or South Main Gate. A government-issued photo ID is required to enter Ames. All conference-related activities take place in red-highlighted buildings; parking lots are highlighted with a peach color. All sessions will take place in Building 152. Follow the golden dotted line to get from either gate to Building 152.
